RE: Ammo Cache In St. Tammany Parish - August 1963

I have attempted to locate William McLaney or Mrs. William McLaney. There is a telephone listing at 6153 Marshall Foch Street, telephone # 488-3569 for Mrs. William McLaney. After several attempts to call and being unsuccessful I spoke to the mother of William McLaney on this date.

This Mrs. McLaney informed me that the McLaney's who owned the house where the arms were found in 1963 now live in Las Vagas, Nev. Their new address is 1573 Sombrero, Las Vagas, Nev.
